Condition: **Used**

POLK AUDIO STEREO MONITOR 10 SERIES SPEAKERS

You are bidding on a pair of Polk Audio Stereo Monitor 10 Floor Speakers that I have had in storage for a few years. They were placed in storage when I retired from the Army and moved to my current location. I am in the process of down-sizing and do not have the room for them anymore. :-)

The condition of the outside Walnut wood cabinet is good with small nicks and chips and some scratches primarily on the cabinet corners. The grills have some snags and show some signs of wear but the speakers still sound great and unless someone really looks closely, these minor blemishes will not be noticed. They have Polk's classic 6" mid bass drivers coupled with a 12" passive radiator and a silver dome tweeter. These speakers sound really great.

The Serial #'s are 10B - 125654 & 10B - 125679.

Click on the link below to see specs.

<http://www.polkaudio.com/home/products.php?category=3&speaker=279&vintage=1>

Each speaker box is 32" x 20" x 15" and weighs approximately 55 lbs. Figure approximately 15 pounds for the weight of the stands and packaging materials

The speakers come with two really nice speaker stands. The stands will be shipped in a separate box. Let me know if you do not want them. Buyer pays all shipping expenses and shipping insurance is strongly recommended. See information below about size and weight for shipping costs. Please be sure you want these great speakers before you place your bid. *Only serious buyers should bid.*

I will not ship these speakers until check or money orders clear.

If you have any questions, feel free to contact me.
