Wireless: --

Brand: **Polk**Condition: **Used**Cabinet Color: **Wood - Dark**

Up For Auction Is A Beautiful Pair Of Polk Floor Standing Monitors RTA 11

T Finished In Dark Walnut Colour

The RTA 11t is the finest conventional (non-SDA) speaker that Polk Audio manufactured in the late 80's. Its extremely high power handling (250 watts) and high efficiency (90db) provide remarkable dynamic range from both large & small amplifiers. The RTA 11t utilizes the same technologically advanced fluid-coupled subwoofer design found in Polk's flagship models of that period. Dual 8" sub-bass radiators are coupled to two 6 1/2" mid/bass drivers, resulting in a fast, powerful, deep and ultra accurate bass response, without the boomy, undetailed sound of large woofer systems.

Driver complements: One 1 inch Polk SL2000 silver coil dome tweeter - Two 6 1/2 inch Polk tri-laminate Polymer bass-midrange drivers w/rubber surrounds - Two 8 inch fluid-coupled subwoofers, one high-resonance, one low-resonance.

Size: 39H X 10 1/5W X 14 1/2 D

Shipping weight: 58lbs each

Frequency response: 18-26000 Hz

Recommended power: 10-250 watts

Nominal Impedance: 6 ohms

Efficiency: 94db
