Hello, and thanks for taking a look!

What I have up for sale is a pristine pair of Polk Audio Monitor 5 Loudspeakers. They are both in VERY good condition. The cabinets were taken very good care of, and it shows. All the drivers are also in very good condition, not damaged at all. The cloth grilles are very clean and snag free. Both have the gold "Polk Audip" logo intact.

Specs:

Silver coil dome tweeter

6-1/2" Woofer

8" Passive radiator.

5-Way binding posts.

Real wood veneer.

Removable cloth grilles.

I hate to get rid of these speakers, I have been using them for about 4 months now and they sound terrific. But after moving to a surround receiver these were used as rears, which I don't feel does them justice. The bass on these speakers is great for having a 6-1/2" woofer, and the highs are just amazing.
