Polk Audio B10 Stereo Speakers WOW!!!

You are bidding on a very rare pair of **Polk Audio B10 Stereo Speakers**. They do have a few nicks. These speakers sound amazing! Each speaker has Three woofers and One tweeters. The tweeters are Polk Audio aluminum frame tweeters, which are far more

desired than the plastic ones that they made. You will be surprised by how full these speakers sound. The bass response is incredible and the high range is bright and crisp. Because of the ingenious design of these speakers they will fill up any room, from a normal rectangular shape to a odd space, you will be very pleased with these! The top rear corner of one of the speakers has a small ding (See Photos). This is a great opportunity to get a great set of rare and collectable vintage Polk Audio speakers. If you have any questions please feel free to email me.
