Description

Item Specifics - Home Speakers

Speaker Type: **Floor Standing**

Wireless: --

Brand: **Polk**Condition: **Used**Cabinet Color: **Black**

Polk speakers (2) model SDA-2BV - truly remarkable sound. No matter your location to the speakers in the room, you hear a true stereo sound. These speakers actually "talk" to each other through a cable that hooks them together.

Each cabinet includes one 10" woofer, two 5" subwoofers and one high range tweeter. Cabinet dimensions - height 38", width 16", depth 12". Cabinet is black wood - grill cloth is black. Both

enclosures are in great condition - no scratches, rubs, etc. Grill cloth shows wear, especially on edges.

I purchased these speakers new and they retailed around \$1500. Here's your chance to get some kick a** sound for little of nothing. You will definitely be amazed at the quality of sound these speakers produce.

These guys are heavy weight and I prefer to have them picked up locally. If you choose to have them shipped, please be prepared to pay a substantial shipping and handling charge.

I prefer Paypal for payment. Any other method of payment requires 10 business day waiting period before shipment.
