Description

Polk Audio Monitor12 Monitor 12 Speakers Very Nice

This is a pair of the hard to find Polk Audio Monitor 12 speakers. Check out the Polk Audio website and see all the information on these vintage speakers and that they sold for \$499.95 for each one. They

are in excellent working condition and sound great. They do have a couple of dings, the largest one on the top back corner as shown in the photos. They have a 12" bass radiator, 4- 6 1/2" drivers and 1 polk SL2500 dome tweeter. Shipping will be for two packages weighing 65lbs each from zip 39402. FedEx ground seems to have the best rates, but I will ship however you would like. I can deliver for \$25 in South Mississippi or the New Orleans area.

Will combine shipping to save you money. Please let me know at the end of the auction if you have items to combine. Thank you and good luck!
