Shipping/Other

**Condition:**

I purchased this fantastic pair of M12's, with the intent to keep and recover them with real Cherry Veneer wood and remove the Vinyl Veneer, that has issues shown in photos, these areas have been touched up, but are a concern.

Do get me wrong, for some people they may look just fine! but I am a very detail person and wanted this Great pair to look as great as they sound!

**As you can see from the photos they also have [new grill cloth](#).**
