Pair of Polk Monitor 7 Three Way Speakers. WITH LEGENDARY IMAGING, GREAT BASS AND STELLAR HIGHS, THESE ULTRA HIGH END POLKS WILL BE THE PERFECT ADDITION TO YOUR STEREO OR HOME THEATRE! If you know high end audio, you know that Polk has long produced some of the finest speakers available. Moreover, Polk is one of the very few speaker manufacturers who can design loudspeakers that can

handle the demands of high power home theatre applications without losing their legendary reproduction of complex and subtle music. These amazing speakers features: Three (3) way design including 10" long throw woofer with reinforced cones and rubber surrounds (no cheap foam surrounds to rot away!); 6" midrange with reinforced cones and rubber surrounds; for crystal clear vocals and dialog; Polk's legendary 1-1/2" silver coil dome type super tweeter, and acoustic suspension (non-ported) design for incredibly accurate bass that's never sloppy; removable cloth grills (both included, one removed for this picture; four way binding post wiring terminals; and beautiful walnut grain cabinets. As for the sound, I can only say it is amazing! Honey sweet, with tight bass, amazing highs, phenomenal imaging, unparalleled stereo separation and a huge sweet spot make you feel like you're in the middle of the sound field even if you are way off to one side. Also, Polk has always made some of the best looking speakers around, too! Huge sound without a huge cabinet, these audiophile quality speakers measure 24" X 14" X 10", and sound better than any "department store" brand (Sony, Kenwood, Technics, etc.) speakers twice the size. I believe these speakers are conservatively rated for 150 watts. Both speakers are in excellent condition... look and sound GREAT, and each component speaker is in perfect condition. THIS IS AN ABSOLUTE, NO RESERVE AUCTION FOR AN ULTRA HIGH END PAIR OF POLK SPEAKERS – DON'T MISS THIS CHANCE TO STEP UP TO REAL AUDIOPHILE EQUIPMENT! Buyer pays actual shipping. I will accept money order, cashier's check, or Visa/MasterCard (through PayPal.com, with no charge to the buyer). Thank you and good luck!
