Description

Item Specifics - Home Speakers

 Speaker Type: **Floor Standing**

Wireless: --

 Brand: **Polk**

 Condition: **Used**

 Cabinet Color: **Black**

POLK AUDIO RTA-8t HIGH QUALITY REFERENCE MONITOR SYSTEM FRONT TOWER TYPE SPEAKERS IN NEAR MINT CONDITION.

These are quality made and great sounding speakers in the POLK tradition. The RTA-8t speakers are 3-way with two of the quality POLK 6.5" Mid-Bass drivers that provide full rich Bass and excellent Mid-range and one 1" Silver Coil tweeter that provides high quality mid-range and is the same tweeter used in other POLK top model speakers. The speakers are also front panel ported for additional Bass response. These speakers are 6 Ohm and have a power handling range of 20 Watts Min. to 250 Watts Maximum so they can handle alot of power. The speakers have a Frequency Response of 30Hz to 26kHz and Efficiency of 89.5dB. These are great looking speakers with

the black ash look vinyl veneer and have the nice POLK Audio logos in gold on the grills. The speakers are in Excellent operating condition and all drivers woofers and tweeters output full range sound. The 6.5" drivers do have some moderate dust on the cones but otherwise are excellent. The rear binding posts are in Excellent condition and have quality banana plug connects. The black cabinets are close to Mint and have a couple light scratches and light marks on the sides. The black grills are Near Mint with minimal wear. These speakers would be great for music listening or as a part of a Home Theater surround system. The speakers are about 15 years old and were well taken care of. Dimensions: 9"W x 11.5"D x 33.5"H. Weight: 40 Lbs.. Shipping is \$70.00 insured shipped in the original boxes with original packing. For payment I accept Paypal, Western Union, BidPay, or a mailed money order. Good luck bidding! *Be sure to view my other quality eBay auctions including additional electronics.*
