Brand:	<b>Polk</b>	Condition: <b>Used</b>
Cabinet Color:	<b>Wood - Light</b>	

This is a very nice example of this set of 'Monitor 2' series speakers from "Polk Audio". The pair are in very clean condition, and have a wonderful sound, and perform flawlessly. They have a 1" Dome Tweeter, a 6.5" Driver, and one 10" Woofer, and all of the components are in great shape. The front grills have no tears. The wood frames have a few light scratches on the top of one, and some light wear on the corners. They have the large speaker posts on the back. I've taken photos to show the condition. These are designed, and manufactured in the U.S.A. Each measures 24" by 13" by 10"., Buyer pays shipping. International costs vary by method and country. It is up to the International buyer to know if these are too large to be shipped to their country, due to postal regulations.Or can be pick up at my west hartford home, Payment is also available thru PayPal , Good Luck Bidding!
