This auction is for 1 pair of mint condition Polk Audio sda1c speakers. Sorry i dont have the original manual but i do have the cable and original boxes. I am the second owner and these speakers have been in a non smoking and no animals household since they were new. The cabinets, grills and drivers are flawless, and so is the sound. If you are familiar with the sda

series of polk speakers then you know what im talking about.

Local pickup is available and preferred but i will ship them at buyers expense
