POLK AUDIO SDA SRS 2

The Legend of the Audio World!

This auction includes:

- **Mint, matched pair of Matthew Polk signature SDA SRS 2 speakers**
- Interconnect cables

Many professionals consider this series the finest speakers ever made!

These beautiful speakers were owned by an NBA star who also was an audiophile and, after his NBA career, became a recording artist. He bought the best. The speakers were installed in wall cabinets and therefore are nearly perfect. No chips, tears, or stains. The oiled-wood cabinetry is beautiful and the grill covers are flawless. There are a few small dings/scratches produced by normal handling.

These speakers are heavy, as you would expect of a speaker of this quality. They measure 13 1/4 D X 21W X 50 H and weigh 135lbs each! The sound is powerful, accurate, rich and seamless. And yet the speakers are very efficient. These speakers are reputed to be among the most accurate ever made.

Each speaker contains: (1) sub bass radiator, (4) mid woofers, and (2) silver coil dome tweeters. The sound is truly breathtaking. These speakers are from the SDA Signature Reference System Series and are the SDA2 model. They are highly efficient and have awesome and seemingly limitless dynamic range and bass response. Clear as a bell whether volume is low or high. Powerful and clear.

PAYMENT: I accept Paypal, Money Orders and Certified Checks. Payment must be received within ten days of auction closing.

SHIPPING: You should pick these speakers up right here in Salt Lake City. If you insist on me shipping them I will ship via UPS and you will pay actual costs.

FEEDBACK: I always leave feedback and will always give you the benefit of the doubt.
