Here they are!

I'm the original owner. They were purchased in 1989 and reside in a smoke free home. The overall condition is very good as I have taken very good care of these beauties. You obviously do not need additional information regarding specs because you know what you are looking for, but I can answer any questions you may have. They come with the interconnect cable and I have the manual in storage. Be sure to provide these with the same love and attention as I have. Happy Bidding!

Note: The shipping cost will be large. I will ship well packed via UPS and expect about \$150.00 total to ship. If you live in the Tampa Bay area you are welcome to pick them up.
