Description

Item Specifics - Home Speakers

Speaker Type: **Floor Standing**

Brand: **Polk**

Cabinet Color: **Wood - Dark**

Wireless: --

Condition: **Used**

Vintage Polk Audio Monitor 10 speakers. These are some of the best speakers that Polk has ever made. They have rich clean sound both highs and lows. I bought them around 1985. I am selling them because we remodeled and they do not fit in the new room and entertainment center.

The Monitor 10 speakers utilize a wide dispersion 1" silver dome tweeter, two - 6 1/2" upper base midrange speakers and a 10" low response sub-bass radiator.

Frequency response - 22Hz - 25,000Hz. Recommended Amplification 10 - 200 watts/channel.

Speakers are in excellent condition and include speaker stands. (If you do not want the stands you can save some on the shipping).

Speakers will ship in the original boxes and packaging. Original instruction manual is included.

Shipping will be in three separate boxes. Contact me for a quote on shipping costs. Make sure you let me know what zip code they would ship to.
