[Welcome to another fantastic listing brought to you by Auction-Key](#)

This listing is for pair of POLK Audio Speakers. They feature Silver Coil Domes. These are marked Monitor Series 8T 25889. They are made with a black stained oak finish. There is a little dust on top. Sorry about that. They will be clean when shipped or picked up. The different pictures make the finish look different but it is just bad lighting.

They work great and need a new home. Measure 9 wide x 11 deep x 34

If you have questions please send an email. If you email with less that 6 hours to go you may not get an answer in time.
