You are bidding on a pair of Polk Audio SDA-2 B speakers in mint condition. These are the B version featuring real wood. These fantastic floorstanders from Polk feature a 1" silver coil tweeter, dual 6.5" midbass drivers, and a 12" flat piston passive radiator. These speakers have a holographic soundstage usually heard only in speakers costing twice as much and the bass is prodigious. Their ability to disappear into the wall of sound is very impressive for a speaker of this

size. The cabinets are extremely solidly built and they have no scratches on them anywhere. These really are in like new condition. They also feature a unique interconnect cable that connect the two speakers together and keeps them in absolute phase with each other. We have the original boxes, packaging material, manual, and the interconnect cable for them. You will not be dissapointed.

We will carefully pack, ship, and insure these very heavy speakers for the actual cost of shipping anywhere in the continental US, or anywhere in the world at our actual cost. All shipping is via UPS ground unless other arrangements are made. You are welcome to pay with Paypal, Visa, MC, Checks, Discover, Diners, AmEx, Etc. We prefer Paypal for international bidders. Local customers are welcome to view auction items during store hours. Illinois residents please add 8.75% sales tax.
