These speakers are great! They sound tremendous. I am just selling off a few sets of speakers I have collected over the years. I still have the original shipping box. I do not see any damage on the speakers and they work just fine.

I will only charge what the post office charges me for shipping no extra or hidden charges. The shipping calculator is a

close guess.

Insurance is recommended. I will package the speakers carefully so they should not be damaged in shipping. I will not be responsible for damage or theft in shipping. You assume all liability if the speakers are damaged or don't make the trip if you turn down the insurance option.

Thank you, for looking. Please take a look at my other auctions. Good luck bidding!
