**Description** (revised)*Item Specifics - Home Speakers*Speaker Type: **Floor Standing**

Wireless: --

Brand: **Polk**Condition: **Used**Cabinet Color: **Wood - Dark**

Hello,

If you are here, you probably know what you are looking at. All I can add to the following link is that these speakers are in NEAR mint condition. The only cosmetic problems with them can be seen in the photos. One of the drivers was replaced due to a curious child incident (didn't want to think about that again!) I have kept the original driver, so if you are

into totally "as was" you could get it reconed. The stands are in moderate condition, they have warped from years of weight and some moisture from a newly cleaned carpet (once again, don't want to talk about it.) But the stands look pretty good on carpet and fit and support the speakers well.

If you win these I will package them as I would want someone to package them for me. I will ship them UPS and will UPS proof them as best as I can.

Here is the link to the Polk Audio Site (These people are awesome.)

### Questions from other buyers

**Q:** Another query. which tweeters do these have? The silk (black) tweeters, the metal tweeters on the flat base, or the metal tweeters on the raised beveled...[more](#) answered on: Mar-11-05

**A:** These have the black silk tweeters and yes, I messed up the dimensions. They would be correct if I packed both together. It should read 13" deep sending...[more](#)

**Q:** Where was the replacement speaker purchased from (this is added so I don't end the sentence in a preposition only). answered on: Mar-06-05

**A:** Good question. And nice up take on the not ending the sentence with a preposition. Although it is now allowed if it is unavoidable and makes grammatical...[more](#)

### Shipping, payment details and return policy

#### Services available

Check item description and payment instructions or contact seller for details.

Will ship to Americas.

#### Seller's payment instructions

If you win, please e-mail me your shipping information. I will only add the actual shipping cost plus \$10 for packaging. It appears that shipping them separately is more cost effective. Estimate the shipping based on 2 packages of 55 pounds 28H X 15W X 26D and 1 package of 19 pounds 12H X 24W X 12D. If you are using a Cashier's check or Money order allow at least 7 days for receipt of check. I prefer Paypal with paulgormley@mchsi.com as the address. Thanks, Paul
