POLK AUDIO SDA SRS

SIGNATURE REFERENCE SYSTEM**EXCELLENT CONDITION !!!**

You are bidding on a pair of Original Pair of Polk Audio SDA SRS Signature Reference System. The cabinets, speaker drivers and grills are in excellent condition. These speakers originally sold for \$3,000.00 for the pair and probably would be double that if they were still made today. Speakers will come with original manual and brochure. If you have never experienced the sda experience you will love it. They have a outstanding soundstage, depth and clarity. They are very open and aire and have a awesome 3-dimensional soundstage. These speakers had excellent reviews by the hi fi magazines. Every time you play a CD it is a new experience. You will be wanting to go through and play all your CD's for a whole new listening experience. I could go on for many paragraph's on how awesome these speakers sound but you will just have to experience them for yourself. If you have any questions about these speakers please email me.
