Classic Polk SDA CRS Reference Speakers

These speakers are simply amazing. You will never believe that they are so small. They have the typical Polk spatial clarity and resolve creating a soundstage that feels so real you expect to reach out and touch the stings. Everything is totally original. Cabinets are an 8.5 and electronics a 9.5. The shipping quote below is for ONE speaker. Double it for the pair. Good luck!

All of my equipment is described to the best of my ability, and is completely functional at the time it is shipped - unless my ad states otherwise. I insure all shipments through DHL or Fed Ex for the full amount of your bid price. Most of the items that I sell are vintage products and as such are always sold on an as-is basis with a no return policy; it works as described when it leaves here, so ask all questions before placing your bid. Shipping charges are **never refundable**. **TERMS:**

Payment is due within five calendar days of auction's close, preferably by PAYPAL. I ship on Mondays, so make sure that your payment reaches me by Wednesday to assure shipment on Monday of the following week. If you need it shipped faster let me know and I will do what I can to accommodate your needs.

You are bidding on only what you see, so don't expect anything other than what is in the pictures unless it is specifically mentioned in the body of the text. Ask all questions before you bid. It is your responsibility to assure any required compatibility with your needs or other equipment. Once you win you will be expected to complete the transaction in accordance with these and eBay's terms.

If in doubt, email me to get an idea of shipping costs before you bid.
