Description

Item Specifics - Home Speakers

Speaker Type: **Floor Standing**

Wireless: --

Brand: **Polk**Condition: **Used**Cabinet Color: **Wood - Dark**

Pair of Used Polk Audio Monitor 10 B speakers. They are in great condition. I purchased them in 1986 while in The US Army. Everything on the speakers is original. Nothing wrong with them and never had a problem with them. They are truly the best speakers I have owned but unfortunately my wife does not want them out because they are "too big". GO

FIGURE?? They have been stored in my closet for 7 years and it is time to get them to a good home so they can be used properly. There are a few light scratches on the walnut cabinets and one blemish that is shown in the photo. I've also provided a photo of one of the screens that has a very small tear. It is exactly 3/10 inch tall. Specs: 10 inch woofer, 2 - 6 1/2 inch subs and a 1 inch tweeter. Serial #'s - 153490 & 158160 Measurements: 15 7/8 inch wide (left to right), 11 1/2 inches deep (front to back) and 28 inches tall. I calculated shipping to 2 destinations and the range was \$65-\$75 taking between 2 - 5 days. You choose how you want them delivered and pay the actual shipping cost. I guarantee the speakers are as stated and in great working order. If not, I will refund your money less the shipping. I will also add in a pair of 25 foot monster cables free. (see photo attached) These have a value of about \$75
