Item Specifics - Home Speakers

Speaker Type: **Floor Standing**

Wireless: --

Brand: **Polk**

Condition: **Used**

Cabinet Color: **Wood - Dark**

This is a pair of Polk audio Monitor Series Wood Floor Speakers in excellent working condition. There is 1-10inch subwoofer & 2-6inch midranges & 1-1inch polk silver dome tweeter in each speaker in excellent working condition. This pair of Polk speakers performs like new & the wood cabinets are in fine to great looking condition. However (& there is always a however in life) both cabinets have a couple of scratches in them, but in no way does it take away from the beauty of these wood cabinets. The cabinet size is 29inches high 16inches long & 12inches wide & 42Lb's apiece. This pair of Polk wood floor speakers are nice. I hooked them up to a Technics SA700 & they perform EXCELLENT. I would ESTIMATE shipping cost to be around \$20.00 to 23.00 per speaker & I will not wrap them until after the sale if they sell. I will send an invoice after the sale with all the details. If you need additional information or pictures please ask & I will respond ASAP. Thanks for looking I appreciate it.
