This auction is for a **Pair of Polk Audio R.T.A. 11 Speakers.**

Polk Model 11 Real Time Array Reference Monitor System (R.T.A. 11) speakers are considered some of the finest speakers ever made. This pair features wood cabinets as well as fuse protected Peerless silk dome tweeters.

This particular pair of Model 11's is in perfect working order. All drivers are functioning properly. Driver complement consists of two 6-1/2" bass-midrange drivers, a 12" passive radiator, and a 1" dome tweeter. Imaging is truly amazing with these speakers and the bass response is absolutely remarkable. You will find that these speakers produce deeper bass response than Polk Monitor 10's, which are rated down to 25Hz, due to their larger volume cabinet size and their larger passive radiator. When it comes to bass response there is no substitute for large radiating surfaces.

Cabinets are in very good condition and all corners are intact. Grilles are in perfect condition with no snags. Logos are both complete and intact.

All in all, a wonderful pair of quality speakers from one of America's leading speaker manufacturers. You'll love them.

The following excerpt was taken from the instruction manual:

"The Polk Audio RTA 11 is a sophisticated three-way, mirror imaged, floor standing speaker system The RTA 11 utilizes 6 1/2" bass midrange units, one 12" low resonance sub-bass radiator, and a 1" wide-dispersion soft dome high-frequency unit. The two 6 1/2" bass midrange drivers are driven separately from two phase compensated crossover networks. One 6 1/2" mid-bass driver, alone, reproduces most of the midrange. The two drivers act together in reproducing the mid-bass and in driving the sub-bass radiator. Mirror imaging is achieved by offering Left-Right matched speaker pairs with the midrange driver toward the inside. (The speakers are marked on the back, left or right channel as viewed by the listener.)"

I have a great deal of experience packing and shipping items such as this, and it will be packed to ensure it arrives at its new home in perfect condition.
