This auction is for a pair of Polk Audio model 4A speakers. They are in perfect working order but have some scratches on the tops and bottoms and some marks. They have 3/4" tweeters and 6 1/2" woofers and they measure 14 1/2"H x 8 1/2" W x 7 1/4"D. They are from the early 80's. I hate to part with these because they were my first pair of speakers but I am cleaning out all of my old stuff and I no longer use these.

The speakers will be packed carefully for shipping. Payment must be made through Paypal within seven days, the sooner you pay the sooner I can ship.
